**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet access at a fast speed should and must be deemed a public utility like water and electricity.
It is vital to our educations and economic infrastructure.

Without affordable, speedy internet, my business would have perished.

Please support competition and thus affordability.

That is the American way.

Sincerely
Michael Calvello
